WHAT ATTENDEES SAID ABOUT THE FORUM!

“It was great seeing everyone the other day at the forum.” — Holly Rybinski, Rybinski Engineering

“Thank you for giving us the opportunity to participate in this forum.” — Gene Cipriani, Keystone Acquisitions Services, Corp.

“Thank you for inviting me to attend the Transportation Forum. The session I attended were great! It was an impressive gathering!” — Kathy Werrell, Assistant Dean, College of Engineering

“I attended the excellent Infrastructure Forum yesterday. Can I be added to the DCT email list to be notified of upcoming events?” — Robert Pingar, P.E., URS Corporation

“I experienced magnificent opportunities to meet with local, state and regional transportation professionals, researchers and elected officials.”

“I enjoyed the chance to explore local and global issues in transportation infrastructures.”

“I had the opportunity to network with professionals from surrounding areas take part in thought-provoking information sessions and listen to a variety of guests speakers.”

“The forum allowed me to meet a lot of intelligent and important people in the field and discuss how we can better the methods and strategies of Transportation Engineering.”

“I had the chance to listen to highly respect individuals associated with the Delaware Department of Transportation and to hear their views on the issues at hand.”

“It was a wonderful opportunity to participate and gain knowledge about the current status of issues related to transportation.”

Media Coverage:

“I was very happy to be an active participant in this Forum, I have learned a lot as well as enjoyed being with professionals.” — Abdulkadir Ozden, UD Grad Student

“Thank you and well done! It was a great event. Many people who attended said they really enjoyed it and it was a real success!” — Tripp Shenton, Professor and Chair, Department of Civil & Environmental Engineering

“A very impressive attendance!” — Dr. Allan Zarembski, Professor, University of Delaware

“It was an excellent opportunity to meet people who have the same concerns, while providing an opportunity to brainstorm. I met many people and got some wonderful ideas to share with the municipalities.” — Karen Brittingham, DelDOT

Identifying Important Issues Related to the Transportation Infrastructure in Delaware and Surrounding Region

2013 Delaware Transportation Infrastructure Forum
