### Athletics
Monitored annually by the Faculty Athletics Advisory Board (FAAB) & external review every 3-5 years

**Oversight Committee Charge:** to review and monitor, the following areas while making recommendations for change to the President as necessary: policy, education and prevention for faculty, students and staff, response to incidents, data collection and dissemination, or any other matter pertaining to sexual misconduct and compliance with Title IX and other federal regulations.

**Case Advisory Board (CAB) Charge:** to advise the university’s Title IX coordinator on matters related to Title IX incident reports.

**Athletics:** to monitor the required components of Title IX that are specific to athletics – participation opportunities, athletic financial assistance (scholarships), and other program areas (the “laundry list”) on an annual basis via the FAAB with an external review conducted every 3 to 5 years.
