

### Short-term program for University Students!

Spend 4 weeks improving your English skills while learning about American culture!

This short-term program combines high-quality ESL instruction, cultural course content and fun, providing an enriching immersion experience for university students from around the world.

English and American Culture includes one excursion to a major city (additional excursions can be arranged for a fee), allowing students to visit important cultural and historical sites on the East Coast of the U.S.

### ACCOMMODATIONS

Program participants will live with American hosts through our homestay program or live in The Internationale.

### REQUIREMENTS

There is no minimum level of English skill required to apply for English and American Culture. Students with “beginner” or “low-intermediate” levels of English will be enrolled in our General English courses.
