

Haoze Yang

12 Ritter Lane

Newark, DE, 19711

Phone: 302-559-4710

Email: hzyang@udel.edu

Objective

Obtain a challenge position to apply my analysis skills and knowledge in the research.

Education

University of Delaware BS, 2012-2015

Major in chemistry, minor in biochemistry

current GPA: 3.47

Working Experience

2013 Worked in Prof. Neal Zondlo Research Group

- Did research in organic synthesis lab about 3-(4-Aminooxy-phenyl)-2-tert-butoxycarbonyl amino-propionic acid
- Helped PhD student with their research

2013 Summer Volunteered in Jilin Province Qianwei Hospital

- Helped patients to do physical therapy
- Talked with patients about their concerns

Skills

- Fluent in English and mandarin
- Knowledge in organic chemistry and biochemistry
- Working experience in organic synthesis lab
- Ability to use ChemDraw, Microsoft Word, Excel, PowerPoint
- Ability to use HPLC, GC, FTIR, NMR to analysis the compound.

Honors

2012 and 2013 Dean's List
