

ASME Student Scholarships

Student members are eligible to apply for a range of financial assistance

ASME offers student members a wide range of opportunities for support. Each year, ASME awards more than \$200,000 to undergraduate and graduate student members worldwide. This is all made possible through the ASME Foundation.

Applying for ASME Scholarships is easy and you only need to complete one online application. Each application is considered for all relevant scholarships where applicants meet the eligibility criteria. See site for details, dates and deadlines.

Here are a few of the scholarships that ASME offers:

- ASME-ASME Auxiliary FIRST Clarke Scholarship
- Allen J. Baldwin Scholarship
- Berna Lou Cartwright Scholarship
- Sylvia W. Farny Scholarship
- Agnes Malakate Kezios Scholarship
- Elisabeth M. And Winchell M. Parsons Scholarship
- Marjorie Roy Rothermel Scholarship
- Charles B. Scharp Scholarship

You must be a current student member to use ASME's online scholarship application.
