Convocation Parking Directions

These directions are for use on Saturday, May 27, 2017 and are written starting from the athletics complex and the STAR Campus. If you are coming from another location, please check Map 1 – Key Venues and Parking Locations and adjust your route accordingly. Please read the important notes below before continuing on to the main directions.

After the ceremony, you will be directed to an exit by a police officer or a parking attendant. The exit will be determined by the traffic volume at the time, so you may be required to exit the lot by a different route from which you entered. For everyone’s safety and to ensure an efficient exit from the lots, please do not ask for, or attempt to take, a different exit than indicated, even if you feel you know a better route to take. All convocations can be reached from all exits as indicated by the directions below. If you are exiting the STAR Lots by Science Blvd, please follow the directions for Heading South on South College Ave.

Directions are not given to Lots 1, 2, 2A, 88 (the Athletic Complex lots), or the STAR Lots as those lots are used as the starting point for these directions. The Bob Carpenter Center is located next to the Delaware Stadium. If you face the stadium with South College Avenue behind you, the Bob Carpenter Center will be to your right. If you parked in one of the STAR lots and took the shuttle to commencement, you do not need to move your car. The parking shuttle will run until 6:30 p.m. on Saturday, May 27, 2017. Map 2 – STAR Parking Shuttle shows the shuttle stops.

Handicap parking is very limited. Please use the handicapped parking only if you need it. You must have a handicapped plate, placard, decal, hang tag or disabled veteran plate to use handicapped parking.

The handicapped drop off location in Lot 24 is for drop-off ONLY. There is NO PARKING in Lot 24. Golf cart shuttles will be available at the handicapped drop off location for individuals with difficulty walking.

The lots shown in BOLD ITALIC type in the tables below indicate handicapped-only parking except Lot 24 which is drop-off ONLY. There is no general parking in these lots.

Friday, May 26, 2017 parking information is in the IMPORTANT NOTES section below.

The tables on the next two pages show the convocation locations and times as well as the recommended parking lots for those locations. Please find your convocation on the left and follow the table across to the right to find the recommended parking.
