Try new things!

1) Have you or any of your friends changed a lot since arriving to Delaware? i.e., trying new foods, hanging out with students from other countries or with Americans, dressing differently, listening to different music, etc.

2) How would you feel if one of your friends began to become more “worldly” or “Westernized”?

3) Did you know that on some campuses at other universities some students have been shunned, bullied, or even attacked by their fellow countrymen for these things? What do you think about that?

4) How would you feel if your friend was shunned or bullied for trying something new? Or if that was you?
