Roadway Management Conference – Registration is Open

Turf Valley in Ellicott City, Maryland will be the site of this year's Roadway Management Conference, hosted by the five LTAP and T² Centers of the Mid-Atlantic Region – WV, PA, VA, MD, and DE. Registration for the 3-day conference (\$150 per attendee) is now open at the conference <u>website</u>. Lodging (\$106 +taxes) information is also linked on the site and you can reserve your room by phone or online.

The conference is an action packed, informative, fun, and affordable conference with something for everyone in the local roads management game. Whether you operate a shovel, a backhoe, or a spreadsheet, you will find your money's worth and your time's worth in the technical sessions and outdoor demonstrations we have planned. Don't take our word for it; have a look at our <u>agenda</u> for this year and <u>photos</u> from last year on the RMC website.

We are still adding to and fine tuning this year's agenda and developing the outdoor demonstrations, so stay tuned to announcements, but go ahead and get registered now before you forget again.

Watch this short <u>video</u> to better understand what the RMC is about, see some of the activities from last year, and meet some of the host personnel.
