Saturday May 3rd, 2014

10:00 AM to 2:00 PM Brunch at the Disaster Research Center, Graham Hall

Tour DRC, enjoy a guest lecture or spend time with old & new friends!

Debra Hess Norris, Chair of the University of Delaware's Art Conservation Department and Professor of Photography Conservation, will discuss the need for incorporating cultural heritage collections in disaster planning. Her discussion will be followed by a hands-on demonstration of techniques used to recover water-damaged photographs such as those found at disaster sites.

2:30 PM to 4:00 PM Walking tour of the University Campus

David Ames, Director of the Center for Historic Architecture and Design at the University of Delaware, will lead a walking tour of the University campus showing noteworthy features of the University's architectural development.

Disaster Research Center's 50th Anniversary BBQ Cookout

Come celebrate DRC's 50 years of success!

Courtyard Marriott Patio
Festivities begin at 6pm
