Highmark Presentation

Number of domestic students on the plan, 2014 – 2015 academic year:
  897 contracted graduate students
  319 graduate students without contracts
  1265 undergraduates

What you can obtain from the website, highmarkbcbsde.com:
1. Find providers in PPO network across the country
2. List of FREE preventative care services covered, directions to find list is at the end
3. Price a medication (on the right side of the main page, under “more features”)

Other useful information:
1. Smoking cessation products covered under prescription coverage
2. Smartphone app coming soon
3. Can email customer service with questions instead of calling (at the very top of page, “Message Center”)

Finding the preventative schedule:

1. Click “YOUR COVERAGE”

2. On this page, click “My Benefits”

   My Benefits
   Discover smart health care savings or review your benefits booklet.

3. At the very bottom of this page, click “View a complete list of preventative care services”

Preventive Care

This schedule is a reference tool for planning your family’s preventive care, including screenings for adults (such as mammograms, colonoscopies and tobacco cessation treatments) as well as vaccines, autism screening and obesity counseling for children. If you have questions about this schedule or prior authorizations, please call the Member Service number on the back of your ID card.
