Every Student Deserves a Mentor

Join the UD Career Mentoring Program

Are you a Junior or Senior student? Sign-Up for a Blue Hen Alumni Mentor!

The University of Delaware is partnering with Mentor Collective to offer current students a relevant, trained alumni mentor. There's no cost or obligation to participate, but mentors can help students set and achieve goals, make connections, and prepare for their future career.

UD students will be connected with an alumni mentor based on career interests, needs, and preferences.

“My mentor has immensely helped me make progress towards my goals. In fact, he actually helped me achieve my goal early and move on to other goals! He has offered advice, told me about his own experience, and helped me answer other questions I've had.”
