Student Association of Policy and Administration (SAPA) Award

SAPA will annually confer an award in recognition of exemplary service to a student of the School of Public Policy and Administration (SPPA). The award is to show appreciation to a single student, or students, for dedicated service within the student association. Student nominations will be reviewed by the SAPA Board and should be received by March 1. SAPA Officers will decide which nominations are passed on to the SPPA Recognition Board by March 7. Students must be currently enrolled at SPPA and in good academic standing with the University. Nominees will be evaluated on service within SAPA, the community, and their ability to raise the status of the SPPA. This award comes with a monetary value not to exceed \$500. SAPA Officers are not eligible for the SAPA Award.
