**INTERNATIONAL DINNER – Saturday, November 23, 2019**

The International Foods is a non-competitive event for 4-H'ers enrolled in the Foods & Nutrition or Exploring 4-H projects. The 4-H'er chooses a recipe representative of a foreign country or different culture, prepares the food, and brings it to the covered dish dinner part of our dinner theater. Each participant is encouraged to dress in the clothing that depicts the nation or culture of their recipe. The food is displayed and each 4-H'er tells their name, what they made, and the country they represent. The food is then sampled by all in attendance. Please label your banquet serving ware for easy return that evening. **Pre-entry required.**

**TALENT SHOW (Pre-entry required)**

The 4-H Talent Show is the theater portion of the evening. Each club may choose to do a skit, song, or dance. Members may also share their talent at the show – solos, duets, dance, and instrumental selections. This is the time to share your talent with fellow 4-H families. You provide the entertainment for the evening.

\*If you have more than four from your family/party, please use an additional form. Extra forms can be emailed to you  
An online form is also available in the Sussex Connection Online Newsletter!
