TUESDAY, APRIL 18TH
CAMPUS VISIT

We invite UBC Scholars in current grades 9-12th to attend a campus visit to Maryland’s Eastern Shore on Tuesday, April 18th. This date coincides with Delaware’s high school Spring Break schedule so you will not need permission to miss school!

The University of Maryland Eastern Shore (UMES), the state’s historically black 1890 land-grant institution, has its purpose and uniqueness grounded in distinctive learning, discovery and engagement opportunities in the arts and sciences, education, technology, engineering, agriculture, business and health professions. UMES provides individuals, including first generation college students, access to a holistic learning environment that fosters multicultural diversity, academic success, and intellectual and social growth. [https://www.umes.edu/home/](https://www.umes.edu/home/)

20 Spots are reserved for the first UBC Scholars who RSVP by March 17th. Additionally, we are dedicating 10 spots to any UBC Parent who wishes to attend this campus visit, also on a first come first serve basis. *One parent per household

*Travel & Lunch is covered by Upward Bound Classic
