University of Delaware  
Upward Bound Classic  
Student Contract –Virtual Summer Program

Upward Bound is an opportunity for me to develop my potential, and I fully intend to utilize that opportunity. If I work with the program and other Upward Bound students to enhance my talents and strengths and to improve upon my weaknesses, I am bound to succeed. If I have a positive attitude, a willingness to work, and a willingness to sacrifice now for my future gain, I am bound to succeed. I understand Upward Bound is first and foremost an academic program and earning good grades should be taken seriously.

I realize that my obligations to Upward Bound have been determined and outlined in this contract. My signature is a commitment to the spirit of Upward Bound: to a respect for human growth through learning, self-improvement, hard work, dedication, and striving to always be the best at anything I do.
