

The University of Delaware's Sociology & Criminal Justice Department invites submissions for our annual art exhibition.

This year's exhibit, *Through My Eyes*, invites art of all mediums that explore the sociological concept of identity: **who we are, who others perceive us to be, and the challenging aspects of our identities.** Undergraduate students, graduate students, and faculty are eligible to submit art. Artists are encouraged to write a short abstract identifying how their piece illuminates identity through art.

SUBMISSIONS ARE DUE BY APRIL 29
