1. Adoption of the agenda

    Agenda was approved.

2. Approval of the minutes from the September 10, 2015 meeting

    Minutes were approved.

3. Caucus Engagement

    A number of women have contacted the Women’s Caucus through OEI’s website expressing an interest in participating in Caucus activities. **R. Andreasen or C. Mangat** will invite them to the November board meeting to discuss how their interests intersect with Caucus priorities and existing subcommittees, and the possibility of forming new subcommittees or projects.

4. Co-chair announcements

    a. **Use of sick leave for adoption**: The issue has been raised to the Women’s Caucus that some supervisors do not permit employees to use sick leave following the adoption of a child, while others do. The Caucus discussed potential policy revisions that would allow more equitable distribution of sick leave usage. Jennifer Daniels (OEI) expressed that this issue is of interest to OEI. She encouraged the Caucus to draft a proposed policy revision, which her office would review to ensure equitable and legal/compliant language. OEI would then help process a final draft through the appropriate channels at UD. Discussion of the exact nature of a suggested revision was tabled until the November meeting, when new volunteers (including members of the LGBT Caucus) will be invited to participate.

    b. **“The Fact Is” Ad**: The ad has been sent to the Review and should be published in next Tuesday’s paper.

    c. **Meeting with Karla Bell and Deborah Morley**: This meeting occurred to discuss data collection and reporting. To discuss how the LGBT Caucus and Women’s Caucus might collaborate in different ways, **R. Andreasen or C. Mangat** will invite Karla and Deborah to the November Board meeting.
d. **Communication with Caucuses:** Representatives of the LGBT Caucus will be invited to attend the November Board meeting (see item 4c. above).
