

## **Descendants of Georg Michael Gehrlein**

The 1993 Gehrlein Genealogy shows a Gehrlein Family Tree in Figure II-1 that traces the lineage of the family name for Johannes Gehrlein, the German immigrant to Erie PA, which goes back four additional generations to Georg Michael and Anna Barbara Gehrlein. Kathy George Ducz did additional research to significantly expand that work to consider other descendants of Georg Michael Gehrlein, including the brothers and sisters of Johannes Gehrlein who also immigrated to Erie (Page 17). Her results from 1999 are shown in the following pages.

Harriet and Jim became acquainted through a very close friend and an automobile ride. After Jim took these girls for a ride, he very cunningly managed to take Harriet home last so he could get to know about her. As they got to know each other better, they entered into courtship and marriage. As time went by they became the proud parents of four children, two girls and two boys.
